

50 Years of Excellence

World leader in Advanced Fastening Technology

ND Industries is ISO9001:2000 / AS9001B / QPL-18240F Listed/ QSLM Registered

Press Release: ND Industries' Technologies Group Receives Top Accreditation

ND Industries®, an internationally known developer and supplier of high quality fastener coating products and services, is pleased to announce the A2LA Accreditation of the ND Technologies Group.

The ND Technologies Group, comprised of the ND Research and Development Lab and ND Division 15 Lab, received an official accreditation in Mechanical Testing on October 8, 2007 in accordance with the recognized International Standard ISO/IEC 17025:2005 *General Requirements for the Competence of Testing and Calibration Laboratories*. This accreditation, the highest of its kind, demonstrates technical competence for a defined scope and the operation of a laboratory quality management system, showing that the ND Technologies Group has again exceeded the standards of the industry in quality service.

The accreditation, awarded by the American Association for Laboratory Accreditation (A2LA), a nonprofit, non-governmental, public service, membership society, is based on internationally accepted criteria for competence (ISO/IEC 17025:2005). A2LA accreditation is recognized by 46 economies around the globe and over 30 federal, state and local government agencies, companies and associations.

ND Industries provides many top quality fastening and assembly related products and services, specializing in threadlockers, sealants, anaerobics, lubricants, adhesives and more, to a wide variety of industries, including automotive, electronics, aerospace, marine, construction, and appliance.
