Press Release:

ND Industries Improves Service through Personnel Expansion

John Holloway

ND Industries®, an internationally known developer and supplier of high quality fastener coating products and services, is pleased to announce the addition of John E. Holloway to the ND family in the position of Director of Chemical Manufacturing.

John Holloway comes to *ND Industries* with over 20 years of domestic and international leadership, manufacturing, and business management experience. He is a graduate of Louisiana State University, where he received a BS degree in Chemical Engineering.

John has worked for Huntsman LLC, ICI Americas, and Rubicon, Inc., filling a variety of leadership positions in research and development, production and process engineering, manufacturing design and operations, supply side procurement, product development, and business management.

ND Industries provides many top quality fastening and assembly related products and services, specializing in threadlockers, sealants, anaerobics, lubricants, adhesives and more, to a wide variety of industries, including automotive, electronics, aerospace, marine, construction, and appliance.

For more information on ND products and services contact ND Industries' Corporate Offices at 1000 North Crooks Rd., Clawson, MI 48017. Phone 248-288-0000, Fax 248-288-0022 or email info@ndindustries.com.
