Press Release:

ND Industries Improves Service through Personnel Expansion

ND Industries®, an internationally known developer and supplier of high quality fastener coating products and services, announces the addition of Kim Frazier to the ND family in the position of Environmental, Health, and Safety Manager.

Kim comes to ND with over 10 years of experience in the chemical industry as an environmental, health and safety professional. She was most recently employed as a Safety Engineer at Akzo Nobel Coatings Inc. and has also worked in the building supplies industry as a Project Engineer with United States Gypsum Company. Kim has a bachelor's degree in Chemical Engineering from the University of Michigan.

As Environmental Health and Safety Manager, Kim will work to ensure ND continues to meet all federal, state, and local environmental, health, and safety compliance requirements at the company's United States facilities, as well as serving as a resource to assist international operations, promoting operational efficiency and the well being of ND's employees and customers.

ND Industries provides many top quality fastening and assembly related products and services, specializing in threadlockers, sealants, anaerobics, lubricants, adhesives and more, to a wide variety of industries, including automotive, electronics, aerospace, marine, construction, and appliance.
