Dear Valued Customer,

The EU Biocidal Products Regulation (528/2012) aims to improve the functioning of the biocidal products market in the EU, while ensuring a high level of protection for humans and the environment.

This letter certifies that our products do not contain any of the substances regulated under the requirements of the EU Biocidal Products Regulation (528/2012). The foundation of this statement is based on formulation and component knowledge.

Should you have questions or require further information regarding Biocidal compliance of any ND Industries, Inc. products; please contact ND Industries, Inc. Environmental, Health and Safety Department by using the email address provided below.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rob Chraska'.
